TO OPEN STEEL MILLS.

Union Will Permit Men to Work with Nonunion Men.

Pittsburg, Aug. 22.—Owing to the idleness of a large number of the union sheet mills of the American Sheet Steel company it is probable that a meeting of the advisory board of the Amalgamated association will be held shortly for the purpose of declaring the nonunion mills of the American Sheet Steel company open mills to enable the idle sheet workers of the Amalgamated association to secure employment in them. With few exceptions the nonunion mills of the sheet company are in operation at the present time.

Of the 104 mills of the company ninety-eight are operated nonunion, and the remaining sixty-six mills are manned by sheet workers affiliated with the Amalgamated association. The advisory board will meet some time before the end of the month to consider suggestions from the membership. The situation is explained in a notice sent out from the headquarters of the Amalgamated association in this city.

Cattlemen Yield.

Omaha, Neb., Aug. 22.—Nebraska cattlemen who have fenced thousands of acres of government land for ranch purposes have abandoned the fight to maintain the boundaries, and the land will be thrown into ranges. The cattlemen's association has notified the district attorney in this city that by Sept. 1 the barriers will be down. These are the famous fences which Colonel Mosby was sent from Washington to tear down. Colonel Mosby was recalled for inflammatory talk at Omaha regarding the cattlemen.
